

# Kolitsous Tower

40.3095363, 24.2408565

In the 14th century, the tower was reconstructed and granted to the Vatopedi Monastery. This, most probably, happened in 1341 and was a decision of the Byzantine emperor Ioannis VI Kantakouzenos who had visited Vatopedi that year.

## Overview

|                    |                  |                 |
