

Limanakia

37.800628959337, 23.788919448853

A series of many small beaches in small natural bays with rocks that impress with their natural beauty and the wild charm of the landscape stretches in Vouliagmeni, on the way to Varkiza.

The cool blue–green waters are accessible by descending paths between the rocks.

The beaches are not organized and are flooded with bathers on summer weekends.
