

Erotospilia

37.89323715, 24.032877062527

Beautiful beach and one of the most favorite destinations of Athenians.

The small bay just after Porto Rafti is well protected from the meltemias and has sand, shade from the trees that are at its edges and blue waters.

The wooden beach canteen offers drinks and snacks.

Erostospilia is so popular that on weekends it is almost inaccessible for this reason and it is preferable to visit at the beginning of summer or in autumn.
