

# Kryfos beach

37.175705573105, 26.849899291992

This beach has emerged as one of the most beautiful beaches of the Dodecanese. Blue–green waters, a beautiful beach with pebbles, large rocks to the right and left of it make the landscape unique and enchanting. The landscape is reminiscent of an exotic island and excites those who visit it. It is located beyond Two Liskaria and you can go there by boat or for serious hikers there is also access on foot through the mountain.
